New England's Leading Source for Summer Camp Information

The American Camp Association, New England is a community of camp professionals who for more than 100 years have joined together to share knowledge and experience and to ensure the quality of camp programs. ACA New England accredits more than 350 day and resident summer camps in the six New England states and serves 900 members. The American Camp Association, New England enriches the lives of children and families through quality camp experiences.

ACA New England fulfills its mission and advances camp excellence by:

- Providing the most comprehensive and reliable camp-related resources in print and online.
- Administering the ACA accreditation process in New England and educating the public about the importance of ACA accreditation.
- Promoting the value of a quality camp experience by serving as New England's camp knowledge center for families, child-serving professionals, camps and the media.
- Offering education and training programs and opportunities to current and future camp professionals (camp owners, directors and staff) in 14 essential areas of quality camp management.
- Offering parent education programs about the summer camp experience.
