Summer Adventure Awaits!

While including all our exciting discovery-based activities such as art studio, music & movement, dramatic play, science, literacy and math, the CNS summer program also offers plenty of outdoor games, sports, and water play on our spacious, wooded grounds. In addition, our zipline and Outdoor Nature Classroom are open for fun and exploration.

Each camp day runs from 9:00-5:00 and includes a mix of outdoor activities and fun, summer play-based learning inside our charming air-conditioned schoolhouse. All summer program staff hold a degree in education.

Enrollment is open to children ages 3-7 (preschool through rising 2nd-graders), and is limited to 20 in each session. Children may attend full-week, or may register for a Monday-Wednesday-Friday or Tuesday-Thursday program in any of our three summer sessions. Ask about our tuition discount options.

Dates are as follows:

Session 1: July 10 – July 21

Session 2: July 24 – August 4

Session 3: August 7 – August 18
