Discover life in the past this summer at August Adventures! Enroll your child today for a week of fun at the museum. Solve mysteries, investigate artifacts, find your inner artist, explore the museum, and play games and activities from long ago. This is the perfect chance for kids to have some hands-on history fun!

There are two summer programs available. Each session runs from 9 a.m.- noon:

Time Travelers Program – August 21, 23, 25 (ages 5-7) — Travel back in time and explore historic Connecticut! Time Travelers will learn about life long ago as they visit different time periods to see what life was like for historical kids through games, role-playing, stories, and crafts.

History Detectives Program – August 14-18 (ages 7-10) — Investigate the stories of Connecticut's history! History Detectives will work together to solve clues, decode secret messages, create art projects, and uncover history's mysteries.
