*Summer Fun at the Learning Experience®  
— engaging children in learning all year*

Who says learning has to end during the summer months? At The Learning Experience (TLE), all children can stay engaged in hands-on learning activities throughout the summer. Children complete science experiments, learn new sign language and create exquisite art projects, while still having plenty of time for sun and fun on the state-of-the-art outdoor playground. For even more enjoyment, TLE will also be visited by special entertainers throughout the summer weeks. Camp ages are between 2-10 years old. Camp runs from July 5th – August 18th. Block weeks are available. Spaces fill up fast – call now!

## **A summer full of memories at TLE includes:**

- Weekly Themes
- Field Trips to Local Parks and Children's Activity Centers.
- Awesome Art Projects
- Outdoor Sports and Activities
- Water Play Days
- Full Curriculum
- New Friends
- Summer T-shirts
- Fun in the sun and much more!

*Learn. Play. Grow*
