Kids Love Grand Slam!

Flexible Weekly, Full-Day and Half-Day Options all Summer Long!

Let your child discover the FUN in Tennis! For ages 3-18, all skill levels and beginners are welcome.

Grand Slam Tennis Club offers the exclusive IGNiTE Tennis Program designed to help juniors age 10 and under learn to play more effectively. By modifying the court size, racquet size, balls, net height and scoring system, kids develop better skills and enjoy learning to play tennis. IGNiTE also develops the whole child as a lifelong competitor; the athletic skills necessary to succeed; a child who is motivated to practice, play and be involved in more than just lessons; two development streams based upon different levels of interest, focus, and motivation; solid technical foundations; and great relationships with parents.

In addition, Grand Slam offers development for juniors on competitive teams (high school teams) and those headed for tournament play. Our professional certified staff will help develop your son or daughter's game through skills drills (ball control), strokes and placement, tactical strategies, mental skills training, physical fitness and match play – and have fun while improving! We have programs for every age, every level of play, and welcome all beginners – we'll have you playing in no time!

Spring and Summer Programs available with flexible weekly, full-day and half-day options; you can also check out our fall/winter indoor season programs.

For more information or with questions please call or email Jill McCourt, Tennis Program Director 914-234-9206 | jillmccourt@grandslamtennisclub.com. Full information on all our tennis programs for adults and juniors is available on our website at GrandSlamTennisClub.com.
