Get ready! There is a whole lot of fun happening at Hartford Stage Summer Studio. Your child's days will be filled with acting, dancing, creative movement, theatre games, arts and crafts. Programs include Day Dreamers (ages 3-5), Children's Cast (ages 5-8), and Youth Ensemble (ages 9-15) — which will be presenting the shows *Singin' in the Rain* and *The Canterville Ghost*. Students in the Teen Musical program (ages 14-19) will present a full production of *Pippin* on the main stage at Hartford Stage! Summer Studio is a place for all kids — whether your child is the budding actor ready for the spotlight or the shy kid on the verge of breaking out of his shell.

We offer 5-week, 4-week, 2-week, and 1-week sessions, and financial aid opportunities are available. All classes take place in Hartford. Register by April 1st to receive up to \$75 off your registration! Visit hartfordstage.org/education for more information or to register online, or call (860) 520-7244 for personalized service.
