Kids Kamp is the best and most affordable summer camp around. Providing hours of fun in a warm, safe and friendly environment, this camp is not one to miss!

Kids Kamp is a flexible camp that is customized to work with your busy schedule. We offer half-, 3/4- and full-day options that keep the fun going all day long!

Our a.m. and p.m. sessions feature use of the entire state-of-the-art sports facility. Campers will spend time bowling, testing their video arcade skills, playing mini golf, working on their golf swing at the driving range, playing games and making fun arts and crafts.

Our "Learn to" add-ons have expanded this year. Now, in addition to learning how to ice skate, each week your child can pick dance, basketball, or tennis. All of these programs are taught by certified instructors to ensure only the best experience for your child.

We offer 11 Monday-Thursday sessions, plus special Friday Funday add-ons.

Catch a glimpse of Kids Kamp and meet the director, Scott Hudak, who boasts 10 plus years of experience as a camp director, on Registration Day, Saturday, April 22 from 11 a.m.-1 p.m.
