Summer at Wooster is one of the most well-known and highly attended camps in Fairfield County.

We believe summer is a time for kids to be kids. It's as simple as that. Our camp experience is designed around giving kids the chance to tap into what makes them happy, what challenges them, what sparks curiosity, what causes fits of giggles, what inspires creativity, what drives ambition, and what creates lasting friendships.

We like to think of our campers as discoverers and explorers. We provide the safe and nurturing environment for them to find activities that match their interest.

During the last 22 years of Summer at Wooster, we've learned a thing or two about encouraging kids to become their very best selves. And, we've become better leaders and happier people each and every season. It's all about child's play -- your child's play -- and we wouldn't have it any other way.
