The Independent Day School Summer Day Camp Program, entering its twenty-fifth year, provides enriching, creative experiences in which children can develop new skills, build self-esteem, create friendships, and have FUN! We pride ourselves on offering an action-packed, varied, and exciting camp based on the IDS Centers of Excellence including Design Thinking, Innovation, and Entrepreneurship; Global Citizenship and Cultural Studies; Environmental Literacy; and the Creative Arts.

Summer Day Camp is held on our beautiful 33-acre campus complete with winding nature trails, a pond, two large playground areas, a full-size gymnasium, and the Galluzzo Performing Arts Theatre. Activities are based on theme weeks that are designed to be engaging, exciting, age-appropriate, and fun for children of all ages! Summer Day Camp is open to children who are rising PreK3 through 8th grade.

Campers may enroll in the Summer Day Camp for one to six weeks. We have expanded our Summer Day Camp schedule and Theatre Camp programs, and we offer Extended Day AM (7:30-8:30 a.m.) and Extended Day PM (4:30-5:30 p.m.) with all of our summer camps.

Too old to attend camp? Nonsense! We also offer a fantastic Counselor-in-Training (CIT) program, open to rising 9th and 10th graders, that will keep older kids engaged, excited, and energized to come to camp every day!

For more information, please view the theme weeks and schedules online at [www.independentdayschool.org](http://www.independentdayschool.org). Registration is open now for our Summer Day Camps, Sports Camps, Theatre Camps, and CIT program!
