

# IncrediFlix

Over 30 locations throughout Connecticut

949-548-5424

[www.incrediflix.com](http://www.incrediflix.com)

Make movies instead of watching them this summer! IncrediFlix is bringing the Hollywood movie-making experience to you. Filmmakers will go through the whole movie-making process in IncrediFlix camps, from brainstorming and learning story structure to storyboarding and how to work together. In animation camps, animators will create characters, backgrounds, film and record voice-overs. In live-action filmmaking camp, students will work as a film crew, act in the movie and learn filmmaking techniques. And, after the camps end, a professionally edited copy of the movies will be passed on to every student for memories that will last a lifetime!

Campers, ages 7-13, may choose one (or more) of the week-long camps.

### *Live Action Camps*

*Live Action Flix:* Students will be guided through “action” to “that’s a wrap” in a collaborative movie that will be fun for the entire audience.

*Action Movie Flix:* Use green screen, camera tricks, & special FX to create an action-packed live-action adventure movie!

### *Stop Motion Camps*

*Animation Flix:* Use a new style of stop-motion each day. It’s the ultimate arts and crafts camp where students create, direct and film their movie in age appropriate groups.

*LEGO® Flix:* Students create a LEGO set, with LEGO characters for a movie they write, shoot and add voice-overs.

*Minecraft® Flix:* The popular video game is turned into an exciting Minecraft world made out of paper. Bring Steve, the creepers, animals and more to life.

*Imagination Flix:* Using green screen, take your characters underwater, to a volcano or even to outer space! In this exciting stop-motion animation movie camp, there are no limits to where your imagination can take you.
