In addition to Ben Bronz Academy, our State of Connecticut approved private school education program held during the school year, Ben Bronz Foundation hosts a variety of other programs designed to help children and adults break through barriers that block the learning process. We offer several options that can help continue student progress over the summer.

Cyber LaunchPad

A program for students in grades 2-6 offering remedial work on basic skills via computers and small group instruction taught by certified special education teachers.

Summer Study Skills

A concentrated study skills program for middle school, high school and college students.

Summer Private Tutoring

Call for availability.

Programs run from Monday, July 1 through Friday, July 26, 2019

- Cyber LaunchPad: Morning sessions
- Summer Study Skills: Morning sessions
- Summer Private Tutoring: As scheduled
