Grand Slam Tennis Club features a wide variety of junior tennis programs including the exclusive IGNiTE Junior 10 and Under Tennis Program and FiRE, the exclusive tennis program for ages 11 and up. Grand Slam offers a great opportunity for your child's development, both on and off the court, with programs for beginners to intermediate to competitive levels of play.

The Tennis Whizz program, for children ages 3-5, teaches basic tennis for toddlers including motor skills development, while having tons of FUN!

The junior development programs are taught using the "Hitting Hot" tennis system founded by tennis champion Ivan Lendl.

If your child is new to tennis, sign up for a complimentary junior program clinic and beginning to play evaluation. It's so much fun and a great way to introduce your child to tennis.

No matter what age or ability level, Grand Slam has the tennis program to meet your child's needs — kids love to play tennis at Grand Slam Tennis Club!
