The Guilford Riding School

The Guilford Riding School is a traditional English-style riding stable with a modern philosophy — anyone can learn to ride their quality school horses and enjoy all of the activities offered without hidden additional costs. You will feel that you are among friends, that the horses are safe and well cared for, and that you can progress at your own pace. They offer group lessons for adults, young adults, children and they even have a special program called Mini-Mights for kids age 5-8. You will ride in the large, outdoor arena next to a spring-fed pond or, in inclement weather, in their indoor arena. Friends and family can watch from the amphitheater hillside or snuggle-up in a heated observation area.

Lessons are structured so that you will never be disappointed. The staff will have your horse tacked and ready for you when you arrive. The Guilford Riding School welcomes beginners, those with some experience and advanced riders. Free Introductory Lesson -- just call or email grsriding@msn.com
