Founded in 1982 by Helen Beck and Ruth Broitman, Just Wee Two is a fun-filled program for children, ages 8 months-3 ½ years.

In our parent and child classes, children participate in arts and crafts, music, stories and play. Even our youngest children, with the help of an adult, can do painting, gluing, glittering, pasting, stickers and more. This program provides a unique opportunity for grownups to share in this magical experience.

We also offer partial separation and two-hour separation classes. Our separation classes focus on art, music and drama.

There are three 11-week sessions — a fall, winter and spring — and a six-week summer session. We are happy to answer any of your questions and help you in the planning of your programs.

Join our wonderful staff for a fun-filled 1 1/2 hour or 2 hours class.
