Polly's School of Gymnastics offers a safe, fun and fully air-conditioned gym so all children can experience the joy of gymnastics.

Programs are available for preschoolers through advanced high school students. Polly's provides classes and competitive teams working on USA Levels 3-8 and X-Cel programs.

The staff is made up of highly educated adult professionals with many years of gymnastic experience. Polly's teachers are safety certified and professional USA Gymnastics members. Classes are geared to help kids learn the correct and safe way to do gymnastics and develop body control. Polly's strives to teach more than the skills necessary for gymnastics, but also the skills to build character and respect for the body and mind emphasizing the importance of respect toward peers.
