DINOSAURS ROCK® Fossil & Mineral Adventures — We Bring The Museum To You™. In our 10th year! Seen by IMM+ at parties and school events. Experience prehistoric life like never before.

Each event includes an extensive, 50+ piece museum-quality exhibit with life-size and genuine items such as a nine-foot mastodon Ice Age leg, five-foot-wide T-Rex skull, genuine dino egg, footprint, meteorite, minerals and more (kids “see & touch” these up-close!); a fun-filled, interactive DINOSAURS ROCK Fossil Adventure show with lots of audience volunteers (same show seen in schools!); and hands-on activities such as real fossil digs, Excavations and Geode opening. Fun-filled games with prizes complete this authentic learning experience.

Party packages include “Little Raptors” for preschoolers, and for ages 5-13, Fossil Excavation, Premium or Super Premium (complete with goody bags) Fossil Dig events, as well as our newest EXTREME party for the ultimate dinosaur lover! GEMS ROCK® Mineral Adventure parties, too! A la carte activities, party tableware and gift items are available online. Attention Moms and Teachers: assemblies and after-school programs are a must-see! Visit DinosaursRockSuperstore.com for unique gifts and party supplies.
