Jump!Zone in Canton, has become the favorite indoor play and party destination for children in Connecticut — a safe, indoor environment where they can leap around on a huge inflatable Batman or Sponge Bob SquarePants, a gigantic T-Rex dinosaur, life-sized fire engine, Disney princess castle or an African safari scene complete with crashed airplane and a friendly lion.

Jump!Zone offers open play hours from Tuesday through Friday morning. Then, from Friday afternoon through Sunday, Jump!Zone becomes party central, with birthday celebrations one after the other in three party rooms. Each birthday boy or girl can invite 15-25 friends for a 1-hour-and-45-minute bash with balloons, cake and lots of time on the inflatables.

Jump!Zone also features a variety of special parties — field trips for schools, camps, clubs, sports teams, and charitable organizations; festivities for Halloween, New Years and Valentine's Day; Bar and Bat Mitzvahs; specials on school holidays and summer vacation; and a Kids' Night Out on Friday evenings, when parents can drop off their children (ages 5 to 10) for two hours to enjoy a pizza and plenty of exercise on the inflatables.
