

Have a Tumbling Good Time!

New Era Gymnastics
1180 Sherman Avenue, Hamden
203-281-1826 • www.neweragymnastics.com

New Era Gymnastics of Hamden offers a great alternative to home birthday parties. Emphasizing fun through physical activity, instructors at the facility take full charge of the party, making the celebration fun for the kids and less work for parents.

Activities will include warm-ups, moon bounce (very popular with children), cooperative games and gymnastics, all led by 2-3 New Era teachers. After all of the jumping and tumbling, the staff will help the host set up, serve and clean up. Paper goods, including table cloths, plates, cups, napkins, forks and spoons, are provided.

If a theme is what your child desires, you can feel free to bring your own supplies. The host parent must provide the food, cake, juice and other snacks for the guests.

All parties are held on Sundays, and last one hour and forty minutes. The cost for clients is \$10 per child and \$12 per child for non-clients with a 12 child minimum. A non-refundable deposit of \$50 is due within one week of making a party reservation. The minimum age for a party is three years old. All children four years of age or under must be accompanied by an adult into the gym, and no children under the age of two will be allowed in the gym for safety reasons. All children must be in play clothes. Shoes, socks and jewelry are left in cubbies.
