At **Mountain Fun** in Wallingford, children as young as 6 years old have enjoyed a unique and exciting birthday party.

The facility's experienced staff will outfit guests with proper safety gear, give climbing demonstrations, and provide safe and secure belays for all climbers.

Just think of how excited the children will be when they reach the top of the 25-foot-high climbing wall.

The Mountain Fun Climbing Gym provides the following services: 75 minutes of wall climbing; 45 minutes of party celebrating; safety harnesses; staff safety assistants; group photos of the party; plates, forks, cups, etc.; and a gift for the birthday child. The cost is \$25 per climber. The minimum party cost is \$150 for six children.

The parents of the birthday child are welcome to set up party favors in their own party room. This room can also be used for food and gift exchange after climbing time.

Children should wear sneakers and comfortable pants to climb. All climbers under the age of 18 must complete a parent/child liability waiver.

It is suggested that hosts book a party between four and six weeks in advance.
