The **Children's Museum at Holyoke** invites you to party at our place...!

Host your party in one of our themed rooms for an hour and a half, but stay and play until we close. Your birthday child and guests can climb the curvy Climber and get a bird's eye view of all the hands-on exhibits, then explore the entire museum! Kids can blow an awesome bubble, "drive" the ambulance, splash and pour at our water exhibit, play the bongos, paint a masterpiece, be the fry cook in the Do-Da Diner, and then go FETCH! in our new FETCH!Lab and WGBY TV Studio.

We provide the paper goods, a museum t-shirt for the birthday child, foam animal masks for all your guests, passes for a return visit, postcard party invitations, a coupon for a discounted carousel ride at the Holyoke Merry-Go-Round, plus we do all the clean up!

We may specialize in imaginative play, but the fun is real!!
