Paint Your Own Pottery Parties at **The Pottery Piazza** are a fun and artistic way to celebrate a child's birthday! We supply the pottery, instruction and fun, you bring the cake! We'll even clean up the mess! Fits any parent's budget, starting at \$10 per child. Free signature memory plate included!

Children's birthday parties are for ages 4-16. There are two party options: a 1.5 hour party that allows kids to paint one piece of pottery during the first half and then enjoy cake and presents; or a 2 hour party that allows kids an extra 1/2 hour to paint or to eat lunch (for ages 10 and up).

Unlimited paint colors, glazing, firing and assistance is included. Each child's piece is individually wrapped and will be ready in a week for pickup. There is a minimum of 10 painters, with a maximum of 20.

We also host parties for women's groups, showers, retirements, office gatherings, scout troops and many other occasions!
