For over 19 years Fur, Feathers & Beyond has been providing premier educational and entertainment programs by showcasing various exotic types of birds. We are also happy to introduce our Bugs on the Run program!

Each party runs about 45 minutes to an hour in your home and is customized to fit you and your child's birthday wishes and needs. Kids' imaginations will soar, along with their feathery friends. Learn unique facts about each bird such as where they're from and how they live in the wild. The birds showcased at our parties were previously rescue animals or unwanted by their original owner. They have now found a happy, nurturing home with Fur, Feathers & Beyond.

Our Bugs on the Run program will let you and your child be up close and personal with our insect ambassadors. Learn interesting facts about each insect and admire all of their awesome adaptations!

The party program is suitable for ages 4+. For more information please call 860-805-7944 or find us on Facebook.
