USA Ninja Challenge has designed fun and exciting birthday parties and team building events that utilize ropes, rings, balancing equipment, cargo nets, rock walls, ladders, warped wall and more.

What's special about a Ninja Event? Everything!

You're our only focus — only one event is booked at a time. Ninjas work with at least two dedicated coaches in the gym doing age-specific activities such as fun relay races and Ninja obstacle courses. After your time in the gym our coaches will assist serving refreshments in our party room. You may bring your own food and refreshments or we can assist you by ordering pizza from a local restaurant.

Reservations must be made at least two weeks in advance and secured with a non-refundable deposit of \$100. All Ninjas participating in the party/event must have a waiver of liability on file with USA Ninja Challenge. Call for more information — 860-436-3500.
