Children's birthday parties at **Romp n' Roll** are a piece of cake!

The Romp n' Roll Weekend Super Birthday Bash includes: **Private use** of our play space for one hour followed by 30 minutes in a party room, specifically designed for kids 6 and under. Kids can play on the inflatable moon bounce, rock wall, trapeze and monkey bars (as well as slides, ramps, vaults and other gym equipment). Don't forget the bubble machine and disco ball! Two instructors will lead kids and parents in age-appropriate games, songs and activities for one hour. Instructors will serve whatever snacks and cake you provide. Also included are Romp n' Roll birthday party invitations, plates, napkins and utensils. Guests will receive a pass to return for a free introductory Romp n' Roll class. **You make the mess and we clean it up!** No matter which party option you choose, we set the stage, provide the fun, and clean it all up so that everyone, grown-ups included, can relax and get goofy! The Birthday Child receives a special gift and parents get a \$25 coupon off your next party. Party add-ons are available including pizza packages, favors, theme with craft project, extra time and more.
