Visit the **Connecticut Trolley Museum** and journey back in time to experience the transportation of yesterday. The museum features a variety of Streetcars from the 1890s-1950s, many of which are available for rides.

A birthday celebration at the museum will provide the thrill of a lifetime for your child and be remembered for years to come. Before, during or after the food is enjoyed, the trolley awaits your crew for a ride into the past.

Parties include the exclusive use of the trolley dining car for a two-hour period. Each party has a Birthday Party attendant who will assist in the party room, escort everyone to the trolley ride and help clean up after the party. Additionally, each child receives a coupon for future visits. After the two-hour period, you and your guests are welcome to stay on the grounds to enjoy the entire Museum including the Fire Truck Museum.
