For a spontaneous way to celebrate, check out the **Sea Tea Comedy Theater** in Downtown Hartford, near the corner of Asylum and Main. Sea Tea Improv offers customized birthday parties for your creative kid and much more!

Whether your kid has dreams of being a performer or you're just looking for something new, a customized improv workshop is a great way to get everyone up and being silly! In our workshops, a professional improviser will lead party-goers through a series of theater games to collaboratively discover fun ideas, characters, and scenes.

You can also catch our All-Ages Family Show every Sunday at 4 PM. Our all-ages improv comedy show is interactive, with chances for kids and adults alike to shout out suggestions and even opportunities to volunteer to play some improv games on stage!
