Home of Exquisite Handmade Creations

Jean's Closet offers unique two-hour craft birthday parties. This is a great way for the birthday boy or girl to grab a few friends, and have fun working on a craft project together.

Kids can choose from any one of the following workshops: wood painting, canvas painting, hand sewing and basic crochet for kids.

Parties are booked on availability. The maximum number of children is eight. Bring your own cake — paper goods are provided. The cost is \$300.
