Planning a Moana — or Luau-themed party? Boys and girls alike enjoy this fun, authentic, interactive, and engaging cultural experience of dancing, music and storytelling from Hawaii, Tahiti, and New Zealand. Since 2006, Tiare Kahana has been providing Polynesian Cultural programs for private parties, schools, libraries, and more, throughout Connecticut. As a Yoga Alliance and Mindfulness Certified teacher, Tiare also offers mindful movement and yoga programs.

Contact Tiare at [KahanaHula@aol.com](mailto:KahanaHula@aol.com) and add some true Aloha Spirit to your party, event, or children's program, that will bring lasting memories for years to come. Even parents and adults are surprised that they enjoy the program just as much as the children!
