Get ready for birthday party magic that's easy for moms and fun for all! Jerry brings fun and laughter to children's parties and makes it a special day for your birthday child. At the end of the show, everyone gets a free magic trick giveaway to keep and take home.

Jerry chooses the best tricks and routines for your age group, and does birthday shows for ages 3-8.

Older kids, ages 8 and up, love learning the Secrets of Magic with the Magic Workshop Party. They will all go home with their very own magic wand and magic kit.

Parties are easy for you. He doesn't need a lot of space, and he brings everything he needs and sets up right in front of the children. Everyone is having fun as soon as he walks in the door.

Because your child will never be this age again, this really is a once-in-a-lifetime event for your family. Jerry can make it a happy memory that your child will always remember!
