The **Connecticut Science Center** offers fun, interactive, hassle-free birthday parties for all ages. Splash in our Kidspace with your little ones, or explore your senses and dig into fun, ooey-goopy materials. Explore outer space or take a group photo in our 360-degree photo booth to celebrate your birthday! Your friends and family can experience over 165 hands-on exhibits at the Connecticut Science Center. We will help you customize your celebration for a one-of-a-kind experience.

Parties are available on Saturdays and Sundays between 10AM and 5PM. The Stellar Party Package includes 22 guests and 2 chaperones, General Admission for the entire day, a decorated party room for two hours, a Science Center Birthday Party Host, a coupon for each guest to return for free, all tableware, and printable invitations. You can customize any party with our exciting add-ons including a 30-minute science activity, science goody bags, and more! Birthday parties sell out fast so early booking is recommended. Visit CTScienceCenter.org/birthdays to learn more and get started.
